

Olympus Protection Plan

Microscope Loan

Accident Repair

Expedited Service

Full Coverage

The Olympus Protection Plan provides total coverage, including optical, mechanical, electrical, and accidental damage protection, on select CX and BX upright microscopes for the educational and clinical fields. Plans are designed to protect your investment, reduce cost of ownership, and minimize downtime with proven service quality and an expedited loan program.

Proven Service Quality

Repairs are carried out by Olympus licensed service professionals to return your system to optimal functionality.

Protection Beyond a Traditional Warranty

Your microscope system is covered from its base to its eyepieces (scratches on objectives, eyepieces, and stages excluded). Coverage for an Olympus camera (if purchased with the system) and LED light source are included. Products not manufactured by Olympus and/or not bearing the "OLYMPUS" brand label are excluded.

Microscope Loan During Repair

Standard configuration CX33, CX43, or BX43 microscope provided on request to reduce downtime and keep operations running smoothly.

Coverage Per Microscope

1st incident*	100% of eligible repair; deductible applies
2nd incident*	50% of eligible repair; no deductible charged
Service loaner	Provided on request

* 3rd incident voids plan coverage. Certain exclusions apply.
